

ILLINOIS FELLOWS
Postdoctoral Research Associates in Business
University of Illinois
(2016 -2018)

The Department of Business Administration in the College of Business at the University of Illinois at Urbana-Champaign is seeking a postdoctoral research associate in International Business starting Fall 2016. In addition to the International Business and Business Law group, our department is a vibrant and diverse interdisciplinary community consisting of Organizational Behavior, Information Systems, Marketing, Strategy & Entrepreneurship, and Process Management. For the International Business postdoctoral position, preference will be given to candidates with a Ph.D. in International Business or a related field. Yet, applicants with cross-disciplinary backgrounds (e.g., economics and sociology, history and law, political science and geography, etc.) are also welcome. Additional information about our department can be found at <http://business.illinois.edu/ba/>. The Illinois Fellows will be situated in our department but will have access to the broader scholarly resources of the college and university.

The Postdoctoral Research Associate is a two-year position. Applicants must have completed a doctorate in business or a related discipline prior to beginning the position and should be research focused. Postdoctoral research associates are also invited to audit courses and are encouraged to participate in the department's scholarly seminars and other intellectual activities.

Illinois Fellows will have the opportunity to collaborate with other fellows, work with faculty in the Department of Business Administration and other areas throughout the university, and pursue their own research. All fellows will have a research budget that may be further augmented through university grants. The salary is competitive with other postdoc programs, and postdoc research associates have access to University health care plans. Postdoctoral research associates will be expected to teach two classes per year and engage in an active research agenda.

For best consideration, please submit your application by March 1, 2016. Awards will be announced no later than May 15, 2016.

To apply:

Please email your vita, examples of written work, a letter of intent that describes your research and teaching interests, and two letters of recommendation (can be emailed/mailed directly from reference) to the Head of the Department of Business Administration, Professor Aric Rindfleisch (badepthead@illinois.edu).

The University of Illinois conducts criminal background checks and other required pre-employment assessments on all job candidates upon acceptance of a contingent offer.

University of Illinois is an Affirmative Action /Equal Opportunity Employer and welcomes individuals with diverse backgrounds, experiences, and ideas that embrace and value diversity and inclusivity.
