

Introduction

United Arab Emirates is a country located in the Middle East bordering the Gulf of Oman and the Persian Gulf. Neighboring countries include Oman and Saudi Arabia. It has a strategic location along southern approaches to the Strait of Hormuz, a transit point for world crude oil. The geography of United Arab Emirates is rolling sand dunes of desert and mountains in the east. The government system is a federation with specified powers delegated to the UAE federal government and other powers reserved to member emirates; the chief of state is the president, and the head of government is the prime minister. United Arab Emirates has an open market economy in which the prices of goods and services are determined by a free price system. United Arab Emirates is a member of the League of Arab States (Arab League) and the Gulf Cooperation Council (GCC).

Risk Assessment (Provided by Coface)

Country rating: A3 - Changes in generally good but somewhat volatile political and economic environment can affect corporate payment behavior. A basically secure business environment can nonetheless give rise to occasional difficulties for companies. Corporate default probability is quite acceptable on average.

Business Climate rating: A2 - The business environment is good. When available, corporate financial information is reliable. Debt collection is reasonably efficient. Institutions generally perform efficiently. Intercompany transactions usually run smoothly in the relatively stable environment rated A2.

Strengths

- Higher, and progressing, degree of economic diversification outside of hydrocarbons compared with neighboring countries
- Commercial and air hub of the region
- Significant financial buffers
- Rapid development of renewable energy
- Political stability

Weaknesses

- Growing regional challenges to their prominent position as a trade hub
- High dependence of fiscal and external revenues on hydrocarbons
- Dependence on foreign labor (85% of the population is foreign)
- Concentration of the national workforce in the public sector
