

SAMIRO

ROMANIAN SCIENTIFIC MANAGEMENT SOCIETY

**First international management conference
in Danube Delta
„CHALLENGES, PERFORMANCES AND
TENDENCIES IN THE ORGANISATION
MANAGEMENT”
1st Call for Papers**

**Danube Delta, Murighiol, Romania,
22-24 June, 2014**

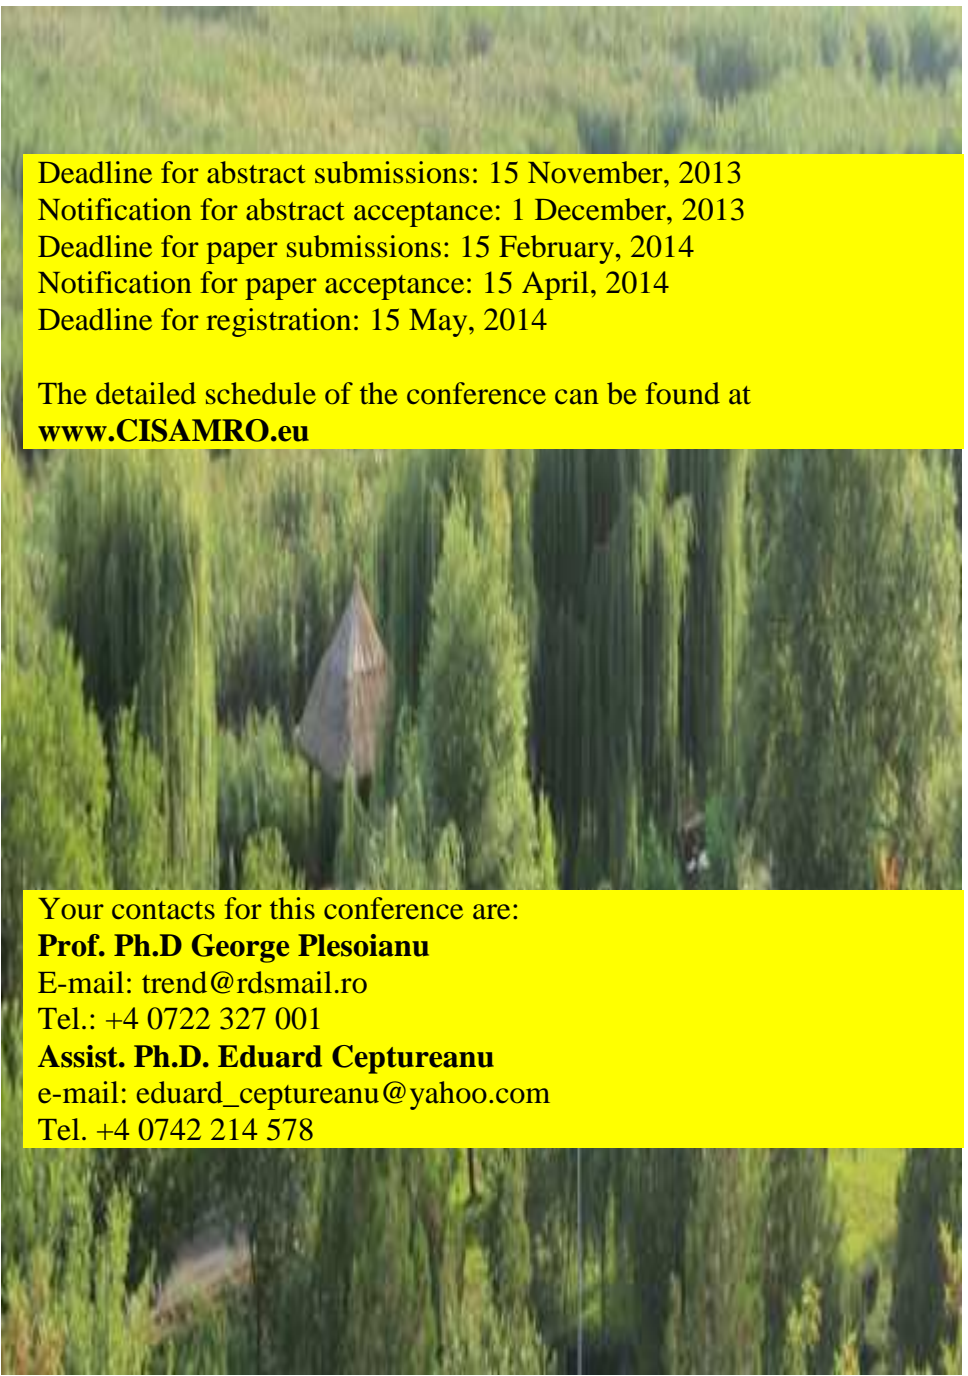

The conference gathers academic management professors, practitioners (managers and entrepreneurs), decision-makers within the central and local public administration, management specialists from Romania and abroad.

The activities within the conference will be a great opportunity for management researchers and practitioners to present the results of their conducted scientific research, to share their experience and their vision, to discuss the trends and challenges that the national and international environment raises against modern organisations, in an increasingly globally competitive world.

Conference sections

- 1- Information and documents management
- 2- Foresight capabilities and strategic intelligence
- 3- Management of change, innovation and quality
- 4- Knowledge-based organization and intellectual capital of organisations
- 5- Leadership and human resources management
- 6- Entrepreneurship and SMEs
- 7- Sustainable development and business sustainability
- 8- University governance and management
- 9- International management and cultural diversity
