## Risk Assessment (Provided by Coface)

**Country rating: B** - Political and economic uncertainties and an occasionally difficult business environment can affect corporate payment behavior. Corporate default probability is appreciable.

**Business Climate rating: B** - The business environment is mediocre. The availability and the reliability of corporate financial information vary widely. Debt collection can sometimes be difficult. The institutional framework has a few troublesome weaknesses. Intercompany transactions run appreciable risks in the unstable, largely inefficient environments rated B.
