Risk Assessment (Provided by Coface)

Country rating: D - A high-risk political and economic situation and an often very difficult business environment can have a very significant impact on corporate payment behavior. Corporate default probability is very high.

Business Climate rating: D - The business environment is very difficult. Corporate financial information is rarely available and when available usually unreliable. The legal system makes debt collection very unpredictable. The institutional framework has very serious weaknesses. Intercompany transactions can thus be very difficult to manage in the highly risky environments rated D.

Strengths

- One-third of the world's bauxite reserves
- Largely untapped deposits of iron, gold, diamonds, uranium and oil
- Significant hydroelectric potential
- Gradual improvement in the business climate

Weaknesses

- Reliant on mining and energy prices
- Dependent on Chinese demand for bauxite
- Inadequate infrastructure, especially in the electricity sector
- Difficult business climate
