## Risk Assessment (Provided by Coface)

**Country rating: B** - Political and economic uncertainties and an occasionally difficult business environment can affect corporate payment behavior. Corporate default probability is appreciable.

**Business Climate rating: B** - The business environment is mediocre. The availability and the reliability of corporate financial information vary widely. Debt collection can sometimes be difficult. The institutional framework has a few troublesome weaknesses. Intercompany transactions run appreciable risks in the unstable, largely inefficient environments rated B.

### Strengths

- Well-developed agricultural sector (soybeans and beef)
- Abundant hydroelectric resources
- Prudent fiscal and monetary policies

### Weaknesses

- Poor infrastructure (river transport, roads, power lines)
- Defective health and education services
- Low fiscal resources (17% of GDP)
- Dependent on the agricultural sector and a handful of trading partners, notably Brazil and Argentina
- Weak governance (corruption and cronyism)
- Large informal market (40% of GDP)
- Vulnerable to climate conditions
