

Introduction

Portugal is a country in southwestern Europe on the Iberian Peninsula. The Atlantic archipelagos of Azores and Madeira are part of Portugal and occupy strategic locations along western routes to the Strait of Gibraltar. Portugal is bordered by Spain and the Atlantic Ocean. The geography is mountainous north of the Tagus River.

The government system is a republic; the chief of state is the president, and the head of government is the prime minister. Portugal has a service-based mixed economy in which the government has privatized many state-controlled firms and liberalized areas of the economy. Portugal is a member of the European Union (EU).

Risk Assessment (Provided by Coface)

Country rating: A2 - The political and economic situation is good. A basically stable and efficient business environment nonetheless leaves room for improvement. Corporate default probability is low on average.

Business Climate rating: A2 - The business environment is good. When available, corporate financial information is reliable. Debt collection is reasonably efficient. Institutions generally perform efficiently. Intercompany transactions usually run smoothly in the relatively stable environment rated A2.

Strengths

- Potential for renewable energy (hydroelectric, wind and photovoltaic)
- Above-average absorption of European funds
- Low labour costs and nascent manufacturing industry (food products, electronics)
- Comparatively stable governance, consensus on the need for sound public finances
- Increasingly attractive to foreign talent
- Buoyant tourism industry

Weaknesses

- Underdeveloped manufacturing sector with low-to-medium range added value
- Cumbersome legal system
- Poor quality of bank portfolios, high impaired loan rate
- Widening infrastructure gap
