Introduction
The United States is a country located in North America bordering the Atlantic Ocean and Pacific Ocean. Neighboring countries are Canada and Mexico. The geography of the United States is varied with mountains in the west, a broad central plain, and low mountains in the east. The government system is a constitution-based federal republic with a strong democratic tradition; the chief of state and head of government is the president. The United States has an advanced mixed economy in which there is a variety of private freedom, combined with centralized economic planning and government regulation. United States is a member of the Asia-Pacific Economic Cooperation (APEC) and the North American Free Trade Agreement (NAFTA).

Risk Assessment (Provided by Coface)
Country rating: A2 - The political and economic situation is good. A basically stable and efficient business environment nonetheless leaves room for improvement. Corporate default probability is low on average.
Business Climate rating: A1 - The business environment is very good. Corporate financial information is available and reliable. Debt collection is efficient. Institutional quality is very good. Intercompany transactions run smoothly in environments rated A1.

Strengths
- Flexible labor market
- Full employment is one of the Federal Reserve’s objectives
- Dollar’s predominant role in the global economy
- Almost 60% of public debt held by residents
- Highly attractive: leader in research & innovation, huge market
- Reduced corporate tax rates
- Increasing energy self-sufficiency

Weaknesses
- Low labor market participation
- Households not very geographically flexible
- High household debt (131% of gross disposable income)
- Polarised political landscape
- Lower fertility rate
- Outdated infrastructure
- Increasing inequalities
